Welcome to Camp Guppy 2017!

This summer our camps will be divided up by themed weeks. Field trips and planned activities will center around the weekly topic. In addition to individual week's field trip and activities, the campers will be going to the Kathryn Linnemann Library weekly.

Art Week #1

May 30—June 2

Campers will get the chance to draw, paint, and explore the different art styles. Personal sketchbooks will be provided to allow for personal creativity and style. Field Trip: St. Louis Art Museum, Art Hill

Games Week

June 5-9

From board games to sports, our campers will tackle a variety of games. Inside the room we will focus on tabletop and digital games and each camper will create their own board games. Games outside of the room will center around gym games and sports. Field Trip: Rockin' Jump, Park

Survivor Week

June 12-16

This week the campers will dive into our mock Survivor reality TV show. We will have challenges and puzzles for our teams and the challenge of finding the immunity idol each day. Field Trip: EarthDance Organic Farm, Towne Park

Science Week

June 19-23

Sticky, icky, and wacky science this week! Campers will become scientists and explore the world of science with exciting experiments. Field Trip: Mad Science of St. Louis

Cupcake Wars Week

June 26-30

This week the campers will be baking special treats, learning a few decorating techniques, and designing their own bakery. Be prepared for some delicious cupcakes coming home! Field Trip: Sweetology

Library Days

Campers will be visiting the library Friday afternoons. We do recommend visiting the library prior to our first visit so that your child is able to use their library card.

Art Week #2 July 3-7

This week will involve creating sculptures, mosaics, string art, and more. The campers will be getting their hands dirty using different mediums to create their individual masterpieces.

Field Trip: Painted Pot

STEM Week July 10-14

Grab your hard hats! Caution! Curiosity and a lot of building ahead! This week the campers will help decide what STEM activities they are interested in working on. They will be given materials needed to complete chosen STEM activities. Field Trip: Bricks4Kids

Star Wars Week July 17-21

This week campers will be transported to a galaxy far, far away. Campers will become Jedis, create race pods, and must choose if they are on the Light or Dark Side of the Force. Field Trips: St. Louis Science Center, James S. McDonnell Planetarium

Kitchen Chemist Week

July 24-28

Our campers will transform themselves into mad kitchen chemists. Prepare for icky, sticky, fun, and some yummy treats this week! Field Trip: Bahama Bucks

Amazing Race Week

July 31-August 4

Campers will divide into teams and travel from "country to country" encountering detours and road blocks. The teams will face fun challenges and stops around St. Charles. Field Trip: Various challenge spots
